It is acknowledged that it is a proper public purpose of the State of Michigan and its political subdivisions to provide housing for its citizens of low income and to encourage the development of such housing by providing for a service charge in lieu of property taxes in accordance with State Housing Development Authority Act of 1966 (1966 PA, as amended, M.C.L.A. Section 125.1401 et seq.). The City is authorized by this Act to establish or change the service charge to be paid in lieu of taxes by any or all classes of housing exempt from taxation under this Act at any amount it chooses, not to exceed the taxes that would be paid but for this Act. It is further acknowledged that such housing for persons of low income is a public necessity, and as the City will be benefited and improved by such housing, the encouragement of the same, by providing certain real estate tax exemption for such housing, is a valid public purpose, and, further, that the continuance of the provisions of this chapter is essential to the determination of economic feasibility of housing developments which are constructed and financed in reliance on such tax exemption.

The City acknowledges that Fort Street Associates Limited Dividend Housing Association Limited Partnership (the “Sponsor”) has offered to acquire, own and operate a housing development, identified as Park Plaza, on certain property located at 200 Fort Street in the City of Lincoln Park, to serve persons of low income.
