OWNER OR OCCUPANT

Address

LINCOLN PARK, MI 48146

Dear Owner or Occupant:

You will be pleased to learn that the City of Lincoln Park has contracted with S.L.C. Meter Service, Inc. to replace old water meters and install electronic outside reading devices. ***There is no charge to you for this service.*** The new water meters and reading devices will ensure more accurate water bills. Also, this will eliminate the need for annual appointments for meter readings as our meter readers will be able to get an actual read every time.

Please contact S.L.C. Meter Service, Inc. for an appointment for this installation. Their toll-free number is ***1-800-335-1448***. Their office hours are 8:00 A.M. to 4:00 P.M., Tuesday through Saturday. They also have a 24-hour answering service if you would care to leave a message.

For your information, all of S.L.C.'s technicians will have picture I.D. Their company name and phone number will appear on all of their vehicles as well as any related literature. If you have any questions about the technician who comes to your home or the installation work itself, please contact S.L.C. at the number mentioned above.

You may, of course, contact our office with any questions.

Your cooperation in this project will help to ensure that every home in Lincoln Park will receive fair and accurate water bills. We appreciate your help.

Thank you,

CITY OF LINCOLN PARK
